

## Can You Really Get There From Here?

Please join us for the February Meeting of the Latrobe, PA IMC Club. Explore a decision-making scenario - planning a flight in order to arrive before nightfall. Throw in a forecast for widely scattered thunderstorms as well as convective activity. What would you do? Please join us and bring a friend. This seminar will give you the edge you need to improve your flying skills. You do not need to be instrument rated to attend. Click the link below and register TODAY!

**Directions:** Please see map link for directions, seminar will be held in the Airport Authority Conference Room.

If you're planning on flying in to the event, please park at Vee Neal Aviation. The meeting is held within walking distance.
